

The Cindee Overstreet Memorial Scholarship

The Georgia County Clerks Association recognizes the importance of providing effective and efficient services in order to broaden our knowledge of government, enhance our leadership capabilities, and augment our managerial abilities. It is incumbent upon each of us to strive toward excellence in our role as County Clerks and, in doing so, may be at a disadvantage primarily due to budget constraints. The GCCA Scholarship provides an opportunity for every County Clerk in the State of Georgia to obtain training and subsequent certification. Those clerks who are desirous of retaining or obtaining certification must meet the following eligibility requirements:

- Be a full time County Clerk or Deputy County Clerk.
- Be a current member of GCCA.
- Complete the required application.
- Submit a letter from his/her Chairman, County Manager (if applicable), or Board expressing support of the local governing authority for him/her to attend said training programs, and affirming that funding is not available for such training through the local government.

The “GCCA Scholarship” provides registration fees (approximately \$330.00) for the recipient to attend any of the certification programs offered in. (Contingent on funds being available)

If you are interested in applying for the Scholarship or know of a fellow clerk who may be interested, please email your application to the Treasurer of GCCA. They will then route it to the members of the Scholarship Committee.

The deadline for submitting an application for a GCCA Scholarship is one month prior to the conference start date.
