---

Please complete the following information and mail with your check to the address above. The Georgia County Clerks Association is an organization for County Clerks and Deputy/Assistant Clerks. However, we welcome membership for others who work in county government. Only those who are employed/appointed in the capacity of a County Clerk or Deputy/Assistant Clerk are allowed to be an Officer or participate on a committee. Association dues are the same for all at \$40.00 each.

### PURPOSE

- ❖ The sharing of information, knowledge, and experience among its members to improve efficiency within local government.
- ❖ A network of membership data for the sharing of information to provide assistance to the Clerk.
- ❖ Provide the encouragement for personal development in cooperation with ACCG, Carl Vinson Institute of Government, and other institutions of higher education.
- ❖ The creation of a forum for members to discuss matters of common interest to better the operation of county government.
- ❖ Promote and maintain the atmosphere to encourage the ethical conduct in all aspects of the member's personal and professional life.
- ❖ Maintain a website for directory information on Georgia County Clerks; the Association's activities and minutes; upcoming training opportunities; and important links to federal, state, and local online information for Clerks.
