### PURPOSE

- ☞ The sharing of information, knowledge, and experience among its members to improve efficiency within local government.
- ☞ A network of membership data for the sharing of information to provide assistance to the Clerk.
- ☞ Provide the encouragement for personal development in cooperation with ACCG, Carl Vinson Institute of Government, and other institutions of higher education.
- ☞ The creation of a forum for members to discuss matters of common interest to better the operation of county government.
- ☞ Promote and maintain the atmosphere to encourage the ethical conduct in all aspects of the member's personal and professional life.
- ☞ Maintain a website for directory information on Georgia County Clerks; the Association's activities and minutes; upcoming training opportunities; and important links to federal, state and local online information for Clerks.
